DETAILED ACTION

Election/Restrictions

Claims 1-2 and 4-8 are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected invention, there being no allowable generic or linking claim. Election was made **without** traverse in Paper No. 16. Applicant subsequently has deleted these claims.

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(a) the invention was known or used by others in this country, or patented or described in a printed publication in this or a foreign country, before the invention thereof by the applicant for a patent.

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 11-47 are rejected under 35 U.S.C. 102(a) as being **clearly anticipated** by Footnotes, Flex-Foot Brochure.

Note that this is a clearly anticipated rejection. All claim limitations are believed inherent.

Claims 11-47 are rejected under 35 U.S.C. 102(a, b) as being **clearly anticipated** by K2 Sensation, Flex-Foot Brochure.

Note that this is a clearly anticipated rejection. All claim limitations are believed inherent.

Response to Amendment

The declaration filed on 9/13/02 under 37 CFR 1.131 has been considered but is ineffective to overcome the references. The evidence submitted is insufficient to establish a reduction to practice of the invention in this country or a NAFTA or WTO member country prior to the effective date of the K2 Sensation Flex-Foot Brochure or the Footnotes Flex-Foot Brochure. Proof of actual reduction to practice requires a showing that the apparatus actually existed and worked for its intended purpose. See MPEP 715.07. The submitted evidence does not provide support for this.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
